

The FAA Safety Team presents:

# **Helicopter Ditching and Egress: Evaluate, Prepare, Perform at HAI HELI-EXPO 2016**

This one-hour session will introduce essential questions to ask and answer when evaluating overwater risk. We will discuss what passengers and crew can do to help ensure the best possible outcome prior to ditching, including the critical steps needed for a successful egress, the most common barriers to success, and how to overcome problems. The session will conclude with a review of important water survival skills and hypothermia mitigation.

This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2016. These sessions are FREE to all HELI-EXPO 2016 registered attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2016 and receive a certificate of recognition for completing the 2016 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.

At the conclusion of each session, receive an official token from the room monitor or presenter.

## Event Details

**Tue, Mar 1, 2016 - 08:30 EST**

**Kentucky Exposition Center**

937 Phillips Ln

South Wing C

Louisville, KY 40209

**Contact: Anne Nevel**

**(703) 683-4646**
